SUMMARY

Review and approve the application for a State of Nevada Importer and Wholesale Dealer of Beer License submitted by Frederick Ost, dba Fishbowl Imports Inc.

Pursuant to NRS 369.180, 369.190, and 369.200 and Washoe County Code (WCC) Sections 30.3331 and 30.3335, the Washoe County Commission shall approve or disapprove applications to engage in business as an importer and wholesaler of intoxicating liquors in Washoe County.

Washoe County Strategic Objective supported by this item: Economic development and diversification.

PREVIOUS BOARD ACTION

No previous action.

BACKGROUND

Frederick Ost, dba Fishbowl Imports Inc., applied for a State of Nevada Importer and Wholesale Dealer of Beer license (see Attachment A) on October 8, 2014. Mr. Ost intends to distribute his beer to wholesale dealers located in the City of Reno and Sparks and, therefore, does not require a separate Washoe County business license or an Importer/Wholesaler Intoxicating Liquor License. If Mr. Ost does distribute to wholesale

AGENDA ITEM # 7D2

dealers in the unincorporated County in the future, then he would need the separate Washoe County business and liquor licenses before conducting those transactions.

Mr. Ost intends to operate his business from a warehouse location at 380 Freeport Boulevard, Suite 24 in Sparks (APN 034-342-01). Washoe County Code Compliance staff visited the office location on October 13, 2014, and verified that the location appears suitable to house an importer/wholesaler business.

Mr. Ost was issued a general business license by the City of Sparks on October 3, 2014 (license number 073937) for a wholesale/distributors business at 380 Freeport Boulevard, Suite 24. The location meets all City of Sparks zoning requirements for such a business at that location. Mr. Ost will apply for the appropriate alcohol license from the City of Sparks after his State application is approved by the Washoe County Board of County Commissioners and issued by the State Department of Taxation.

As noted earlier, the business is not located within the unincorporated County and will neither sell nor distribute intoxicating liquor in the unincorporated County. As such, pursuant to WCC Section 30.3333(2)(e)(4), the applicant is not required to obtain either a Washoe County business license or a Washoe County intoxicating liquor license. An FBI/State criminal history background inquiry is also not required of the applicant based on WCC Section 30.3333(4). However, pursuant to WCC Section 30.3333(2)(f), the applicant must disclose information pertaining to criminal convictions and moral character as required by NRS 369.190.

NRS 369.190(3) and WCC Section 30.160(1)(b)(1) specify that the County Commission "require satisfactory evidence that the applicant is a person of good moral character" when reviewing and approving a State of Nevada Importer and Wholesale Dealer of Beer License application. Mr. Ost completed the required *Liquor License Personal History* form and replied in the negative to any criminal convictions in the past 10 years or to any revocations of either a liquor license or work permit. He also completed the *Child Support Compliance Statement/Exemption Form* and stated that he is not subject to a court order for the support of a child. Based on the information provided on these two forms, staff has determined that the applicant is of "good moral character" and is suitable to hold the State License under the provisions of State Law and County Code. Copies of both sets of forms contain personal information, so are not included in this staff report but are available to the Board of County Commissioners upon request.

Since the business is not located in the unincorporated County and will not distribute intoxicating liquor to wholesale dealers in the unincorporated County, only the separate administrative processing fee for the State license application before the Washoe County Board of County Commissioners is required. The applicant paid the *required* \$50 administrative processing fee established in the Master Liquor License Fee Schedule adopted by the Board of County Commissioners.

FISCAL IMPACT

As noted earlier, the applicant paid the required \$50 administrative processing fee (deposited in Washoe County liquor license revenues account number C105402-421200). There will be no other license fees collected by Washoe County for this business.

RECOMMENDATION

It is recommended that the Board of County Commissioners approve a State of Nevada Importer and Wholesale Dealer of Beer License for Frederick Ost, dba Fishbowl Imports Inc., and if approved, authorize each Commissioner to sign the State of Nevada *Application for License for Importer and Wholesale Dealer of Wine, Liquor, and Beer* with direction for the County Clerk to attest the license application.

POSSIBLE MOTION

Should the Board agree with staff's recommendation, a possible motion would be:

“Move to approve a State of Nevada Importer and Wholesale Dealer of Beer License for Frederick Ost, dba Fishbowl Imports Inc., and to authorize each Commissioner to sign the State of Nevada *Application for License for Importer and Wholesale Dealer of Wine, Liquor, and Beer* with direction for the County Clerk to attest the license application.”

**Washoe County Chapter 30
Intoxicating Liquor and Gaming Licenses and Regulations**

30.160 Issuance of license by license division; denial for unsuitability; not renewing license; suspension; revocation.

1. The license division may grant or deny the application for an intoxicating liquor license or place conditions on a license to ensure compliance with this chapter and other applicable laws and regulations. A denial of a license must be based upon a finding by the license division that any applicant on any license or any licensee, whether an individual, partnership, or corporation, is unsuitable for the issuance of an intoxicating liquor license.

(a) Board issued liquor licenses. To better define the policy of the intoxicating liquor provisions of this chapter, the following persons are declared not to be suitable for the issuance of a liquor license:

- (1) A person who has been convicted within the past ten (10) years of:

 - (iv) Unlawful entry of a building.
 - (v) A gross misdemeanor, or equivalent conviction in another state, or unlawful possession, use or distribution of controlled substances or dangerous drugs.
 - (vi) Illegal use, carrying, possession, or display of a pistol or other dangerous weapon.
- (2) A person who has indicated intemperate habits by his past conduct, including a conviction during the five years preceding the date of application which involved the operation of a motor vehicle while under the influence of intoxicating liquor or controlled substances or dangerous drugs.
- (3) A person under the age of 21 years.
- (4) A person who has failed to disclose, misstated or otherwise attempted to mislead the license division or the sheriff with respect to any material fact contained in any application for a license.
- (5) A person who has concealed or refused to disclose any material fact in any investigation or inquiry by the license division or the sheriff.
- (6) A person who has been identified as being a member or associate of organized crime, or as being of notorious and unsavory reputation.
- (7) A person who has been placed and remains in the constructive custody of any federal, state, county or city law enforcement authority.

- (10) A person whom the license division determines is not a suitable person, having due consideration for the proper protection of the public health, safety, morals, good order and general welfare of the inhabitants of the county.

(b) Department liquor licenses. In reviewing a department application for a wholesaler or wholesale dealer, importer, brewpub, brewery, or instructional winemaking facility license, the commissioners shall approve or disapprove applications.

(1) The commissioners shall examine all applications filed with it, and shall require satisfactory evidence that the applicant is a person of good moral character. If the applicant does not have a current and valid county intoxicating liquor license, or is not concurrently applying for a new county intoxicating liquor license, the applicant shall submit a statement listing any prior criminal convictions within the past 10 years.

(2) If an application is disapproved by the commissioners, the license division shall promptly return the license fee accompanying the application to the applicant.

(3) If the commissioners approve an application, the license division shall forward it through the applicant to the department, together with the commissioner's written approval thereof and the license fee accompanying the application.

(c) Pursuant to NRS 244.350, the license division will not issue an intoxicating liquor license to a place where, in the judgment of the license division, the sale or disposition may tend to create or constitute a public nuisance, or where by the sale or disposition of liquor a disorderly house or place is maintained.

2. Upon submittal of a verbal or written complaint of any person, the license division shall investigate the action of any licensee under the intoxicating liquor provisions of this chapter, and shall submit a report to the board detailing its findings. The board may then, upon its own motion, recommend the temporary suspension or permanent revocation of a license in accordance this chapter. Further, any license issued pursuant to the provisions of this chapter or any amendment thereof may be suspended, revoked, or not renewed for good cause. Good cause for such suspension, revocation, or not renewing includes, but is not limited to:

(a) The existence of unsanitary conditions, noise, disturbances and other conditions at, near or on the premises which cause or tend to cause or create a public nuisance or which injuriously affect the public health, safety or welfare;

(b) The commission of, or permitting or causing the commission of, any act in the operation of the business which act is made unlawful or is prohibited by any applicable law, ordinance, rule or regulation of any city, the county, the state, or the Federal Government;

(c) Fraudulent practices or misrepresentations in the operation of the business, or concealment or misrepresentation of a material fact in procuring the license;

(d) Knowingly permitting the licensed premises to be frequented by or to become the meeting place, hangout or rendezvous for known prostitutes, vagrants, persons described as undesirables in liquor operations or those who are known to engage in the illegal use or distribution of controlled substances or dangerous drugs or in any other illegal occupation or business. Any licensee permitting such conditions on the licensed premises may be subject to provisional suspension of his intoxicating liquor license pending elimination of the indicated violation. Proceedings for revocation of an intoxicating liquor license shall be initiated if the licensee fails to eliminate a violation of this subsection by taking affirmative corrective action within 10 days after the date of written notice of the existence of any such condition or violation;

(e) Willful violation of the provisions of NRS 369.630, as amended, pertaining to alcoholic beverage awareness programs more than 3 times in any 24-month period;

(f) If the licensee receives three or more notices of violation or civil penalties pursuant to chapter 125 in any 24-month period;

(g) Violation of any of the terms or conditions of the license;

(h) If the licensee sells liquor to a wholesaler or retailer who is not a holder of a proper license or permit in conformance with this chapter at the time of sale;

(i) If the licensee violates or causes or permits to be violated any of the provisions of this chapter;

(j) If the licensee commits any act which would be sufficient ground for the denial of an application for a license under this chapter.

3. Upon failure to tender any required fees for a period of 30 days after the due date, the license shall be automatically suspended without further notice or proceedings.
